STAT

[redacted]

Thank you for your letter of 7 August 1958 recommending [redacted] for employment with this Agency.

STAT

We are attempting to build up a corps of career employees in the Agency and recruit generally at the junior officer level. Senior positions are filled by promotion from within the organization except in occasional instances when it is not practical to do so.

[redacted] resume has been carefully reviewed against our somewhat limited requirements for senior personnel and there appears to be no immediate opportunity for his appointment.

STAT

Another factor limiting the outlook for [redacted] employment with us is the probability that he is retiring on length of service. As you may know, there are legal restrictions on the employment and compensation of such retired officers. The Central Intelligence Agency is permitted to employ a maximum of fifteen but this quota is usually filled.

STAT

We appreciate your warm endorsement of [redacted] and regret that our reply cannot be more encouraging.

STAT

Sincerely,

25 YEAR RE-REVIEW
